

The background of the slide is an abstract composition of various-sized, light-grey rectangular blocks. These blocks are arranged in a way that creates a sense of depth and three-dimensional space, with some blocks appearing to be stacked or nested within others. A solid blue rectangular area is positioned in the center-left of the image, serving as a backdrop for the title text. The floor at the bottom of the image is composed of a grid of square tiles, suggesting a modern architectural setting.

# Useful Resources

The background of the entire page is an abstract, monochromatic composition of light gray rectangular blocks of various sizes and orientations, creating a sense of depth and architectural structure. The blocks are arranged in a way that suggests a staircase or a complex geometric pattern. The lighting is soft, casting subtle shadows that emphasize the three-dimensional nature of the blocks.
